

Greetings Kids Korner Families,

Dan & I want to share we continue to pray for you daily as we know many hearts are heavy with parenting during this tremendously disruptive time. We have greatly enjoyed participating in worship with your children over the past five weeks during the 11:00 AM worship service. Our family has been blessed seeing our Hallways filled once again with the love & joy children bring.

Regrettably, as of Friday July 17th, Licking County upgraded to a level 3 (red) public emergency. As a result, Children's Ministry (Birth – 6th Grade) will no longer meet live during the 11am worship service at our Granville location.

Children and families are invited to join us online for Children's Worship. You can find Kids Korner lesson videos & resources on the Kids Korner Facebook Group (join here)

Kids Activity pages & supplies will be available for children participating in worship at the 6, 9, & 11 services at our Granville location.

Our hope & prayer is to re-open Kids Korner when Licking County is downgraded to a level 2 (orange) public emergency.

All Fall children's ministries will be postponed until further notice as we consider the possibility of delayed starts, online opportunities, and family events.

We thank you for your support & prayers as we continue to seek ways of sharing the gospel to children in our community and bring families together in worship & fellowship.

Blessings,

Brittany Pound

Children's Ministry Co-Director
